

# **Performance Make – Up Assignment**

## **Midpark Band 2008-2009**

**An excused absence from a Midpark Band Performance will require makeup work in the form of:**

- A paper on a historical period or composer decided on by you and approved by the director. The paper must include a typed bibliography, must be double space, and must be three pages in length. You must have at least four different sources and be able to supply them on demand. Plagiarism is against the law and will be checked. Doing your own work is important.
- Attend a professional musical production and write a two page paper double-spaced on your insights on the performance. The program and/or ticket must be attached to the paper.
- Make a recording of concert selections and/or technical exercises we are working on in class to be determined by you and the director. The recording must be on a cassette with your name on it. The recording will be evaluated for the following: correct notes, phrasing, intonation, and rhythm.

Make-Up assignments must be completed before the end of the grading period in which the missed performance took place in order to receive credit.
